David,

As you can see from Mindy's note, below, Dave had a few comments on the draft Corps MOA, and he asked for you to take a look. I've addressed his comments in the attached. I don't see any issues that should pose significant concerns for you; should be an easy review.

Could you let me know if you have any comments or concerns about the edits by tomorrow, if possible? FDEP has asked for any comments on the Corps MOA asap, so we'd like to send back to Dave by tomorrow.

Thanks very much for your attention!
